INDEPENDENT AUDITORS' REPORT

Board of Directors RefuSHE, Inc. and Affiliate Chicago, Illinois

We have audited the accompanying consolidated financial statements of RefuSHE, Inc. (a Missouri nonprofit corporation) and Affiliate, which comprise the consolidated statements of financial position as of December 31, 2020 and 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors RefuSHE, Inc. and Affiliate Chicago, Illinois

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of RefuSHE, Inc. and Affiliate as of December 31, 2020 and 2019, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

December 31, 2020 and 2019

1. NATURE OF ORGANIZATION:

RefuSHE, Inc. (RefuSHE) is a Missouri not-for-profit corporation established in 2007. As a not-for-profit corporation, RefuSHE is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (Code) and comparable State law. Contributions to RefuSHE are tax deductible within the limitations prescribed by the Code. RefuSHE is also classified as a publicly supported organization, which is not a private foundation as defined by Section 509(a)(1) of the Code. The primary source of support and revenue is from federal financial assistance and contributions by individuals and foundations.

RefuSHE supports Heshima Kenya (Heshima), an affiliated Kenyan entity, by providing funding, volunteers, and goods and services. Heshima is registered as a non-governmental organization in Kenya, under Section 10 of the Non-Governmental Organization Coordination Act. RefuSHE has control of and an economic interest in Heshima and therefore requires consolidation under accounting principles generally accepted in the United States. The mission of RefuSHE and Heshima (collectively referred to as the Organization) is to identify and protect unaccompanied and separated refugee children and youth, especially girls, young women, and their children living in Kenya. By providing resources for long-term support, refugee girls and young women become catalysts for strengthening networks creating sustainable change within the local and global communities. The Organization accomplishes this mission primarily through the program services described below:

Education – The Girls' Empowerment Project (GEP) is our alternative education program that allows participants to access education and livelihood opportunities, learn about their human rights, and to cultivate leadership skills. This includes basic education, life-skills development, vocational training, income generation, as well as an early childhood development center.

Sexual and Gender Based Violence—Trainings on health, human rights and peace building, leadership, and community resources are structured in a way so girls gain self-confidence and a voice in the decisions that affect their lives. Topics include sexual and reproductive health, sexual and gender-based violence prevention and response, HIV/AIDS prevention, peace building, leadership and human rights, and community collaboration.

Safe House—The first and only of its kind in Kenya, our Safe House is a transitional shelter that provides protection and recovery to unaccompanied and separated refugee girls under 18 years old and their children. We are a registered shelter program, Children's Charitable Institution (CCI) under the Kenyan Children's Department. Approximately half of RefuSHE's Safe House residents have young children of their own.

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

1. NATURE OF ORGANIZATION, continued:

Case Management—Due to the myriad of health, emotional, and physical protection issues experienced by unaccompanied refugee children and youth, a core component of RefuSHE's holistic model is our case management program. RefuSHE aims to empower each participant with the skills and resources required to advocate for their own rights and needs. This support provides girls with the ability to access services independently so that in the future they know where and how to access services, what to expect, and how they should be treated. Services include general support, legal aid, medical support, psychological counseling, and home visits and material support.

Early Childhood Development Center—Without the support of their own families and community, young mothers are in need of a necessary support system to help them develop confidence and knowledge as mothers. RefuSHE supports over 60 infants and toddlers of young mothers in our programs, including children who have serious disabilities. The presence of this childcare program enables mothers to attend their education courses on site while also attending to their children throughout the day.

Community Outreach—RefuSHE's mission is to advocate for awareness, rights, education, and support for refugee girls and women. We participate in various panels and policy groups to advance dialogue and solutions for the neglect of Nairobi's urban refugees and the protection of unaccompanied refugee children and youth. This includes our work surrounding education and outreach to help refugee girls access protection and services.

Advocacy and Research—RefuSHE recognizes the importance of educating our partners in government, the NGO sector, policy groups, and civil-society actors about the challenges experienced by the young women we serve. Our advocacy focuses on refugee protection, child protection, and the rights of women and girls.

Economic Independence—RefuSHE's social enterprise is a step in the journey toward independence and a new life after war and conflict. Members express themselves creatively while learning tangible skills that lead to self-sufficiency. Our trauma-informed approach allows artisans to achieve economic and social independence. Participants continue their healing within RefuSHE's supportive environment while learning business skills. 70% of the 160 artisans who have been a part of the collective are economically independent.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The Organization maintains its accounts and prepares its consolidated financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States. The significant accounting policies followed are described below to enhance the usefulness of the consolidated financial statements to the reader.

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the operations of RefuSHE and Heshima. All significant intercompany transactions and balances have been eliminated from the consolidated financial statements.

USE OF ESTIMATES

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS-WITHOUT DONOR RESTRICTIONS

Cash and cash equivalents include cash, checking, and savings accounts, and highly liquid investments with maturity dates of less than three months. These accounts may, at times, exceed federally insured limits. The Organization has not experienced any losses in such accounts, and management believes it is not exposed to any significant credit risk on cash and cash equivalents. At December 31, 2020 and 2019, the Organization's cash balances exceeded federally insured limits by \$419,646 and \$38,418, respectively.

CASH AND CASH EQUIVALENTS-WITH DONOR RESTRICTIONS

The Organization is required to hold certain donor contributions in separate bank accounts, for the purposes outlined in the executed grant agreement between the Organization and donor. For the years ended December 31, 2020 and 2019, funds held in these separate accounts total \$136,663 and \$102,491, respectively.

GRANTS RECEIVABLE-NET

Grants receivable consists primarily of amounts due the Organization for grants from foundations wherein the foundation has unconditionally promised to contribute funds to the Organization in future periods. The allowance for doubtful grants receivable is maintained at a level that, in management's judgment, is adequate to absorb probable losses. The amount is based upon an analysis of overall grant receivables by management. Management's evaluation of the allowance for doubtful accounts includes, but is not limited to, the historical experience of payment patterns from the foundations, financial condition of the foundations, other known facts and circumstances, and general economic conditions. This process is based on estimates and ultimate loss may vary from current estimates. The Organization does not assess finance charges against grants receivable that are past due. As of December 31, 2020 and 2019, no allowance for doubtful grants receivable has been recorded as management has determined it is probable that substantially all the grants receivable will be collected.

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

GRANTS RECEIVABLE-NET, continued

Grants receivable expected to be collected within one year are recorded as support and a receivable at net realizable value. Grants receivable expected to be collected in future years are recorded as revenue and a receivable at the present value of the expected future cash flows. Discounts on those amounts are computed using interest rates applicable to the years in which the promises are received. For grants received during both years ended December 31, 2020 and 2019, the discount rate used was 3%. Amortization of discounts is included in contributions in the accompanying consolidated statements of activities.

INVENTORY-NET

Inventory is stated at the lower of cost (based on the FIFO basis) or net realizable value and consists of fabrics, threads, dyes and finished scarves, as well as other products. Management has determined the allowance for obsolescence by reviewing product sales history and current market performance.

PROPERTY AND EQUIPMENT-NET

Items capitalized as property and equipment are stated at cost or, if donated, at market value on the date of donation. The Organization capitalizes all property and equipment expenditures greater than \$1,000. Expenditures for repairs and maintenance are charged to expense as incurred, and additions and improvements that significantly extend the lives of assets are capitalized at cost. Depreciation is computed using the straightline method over the estimated useful lives of the assets ranging from 3 to 10 years.

CLASSES OF NET ASSETS

The consolidated financial statements report amounts separately by class of net assets:

Net assets without donor restrictions are currently available at the discretion of the board for use in operations, designated by the board for other specific projects determined by the board, or invested in property and equipment net of accumulated depreciation.

Net assets with donor restrictions are stipulated by donors for specific operating purposes, with time restrictions, or not currently available for use until commitments regarding their use have been fulfilled.

SUPPORT AND REVENUE, RECLASSIFICATIONS, AND EXPENSES

Revenue is recognized when earned and contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give—that is, those with a measurable performance or other barrier and a right of return—are not recognized until the conditions on which they depend have been met.

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

SUPPORT AND REVENUE, RECLASSIFICATIONS, AND EXPENSES, continued

A portion of the Organization's support and revenue is derived from cost-reimbursable federal contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the consolidated statements of financial position.

The Organization conducted special events designed to inform supporters about its programs and expose itself to potential new donors. Special events consist of a virtual fashion challenge and silent auction.

The Organization reports gifts of cash and other assets as support with donor restrictions if they are received with donor stipulations that limit the use of the donated amounts. When a stipulated time restriction ends or purpose restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as reclassifications. Gifts received and spent in the same period are reported as support without donor restrictions.

The Organization reports gifts of property and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash and other assets that must be used to acquire long-lived assets are reported as support with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service.

Noncash contributions consist of donated program supplies that can be used or sold and are recorded at fair value at the date of the gift.

Expenses are recorded when costs are incurred in accordance with the accrual basis of accounting. The consolidated financial statements report certain categories of expenses that are attributable to one or more program or supporting functions of the Organization. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. These expenses include salaries and benefits, depreciation, facilities operations and other expenses. Salaries and benefits are allocated based on the programmatic purpose of the employee incurring the expenses. Facilities operations and depreciation are allocated based on the square footage and programmatic purpose of the property and equipment incurring the expense.

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

CONCENTRATIONS:

During the years ended December 31, 2021 and 2020, RefuSHE received 77% and 79%, respectively, of total contributions from five donors. The Organization's operations and program activities could be impacted if these donor relationships were to be terminated and could not be replaced by new donors with comparable donations; however, in the near term, the Organization believes these major donor relationships will be maintained.

FOREIGN OPERATIONS

Foreign operations have a functional currency different than the United States dollar. Assets and liabilities are translated into United States dollars using the current exchange rates in effect at the consolidated statement of financial position date, while revenues and expenses are translated at the average exchange rates during the period. Gains and losses resulting from foreign currency transactions are included in translation adjustment in the accompanying consolidated statements of activities.

In connection with its ministry, RefuSHE supports Heshima, an affiliated Kenyan entity, by providing funding, volunteers, and goods and services. As of December 31, 2020 and 2019, current assets in Kenya, including cash and cash equivalents, inventory, and prepaid expenses and other assets totaled \$447,494 and \$316,308, respectively; property and equipment, net of accumulated depreciation, amounted to \$7,709 and \$28,367, respectively; and liabilities in Kenya were \$48,311 and \$25,211, respectively. Total support and revenue received in Kenya, before any eliminations, amounted to \$1,590,986 and \$1,553,478 during 2020 and 2019, respectively. Account balances relating to Kenya operations are reflected in the consolidated financial statements in United States dollars.

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

3. <u>LIQUIDITY AND FUNDS AVAILABLE:</u>

The following reflects the Organization's financial assets as of December 31, 2020 and 2019, reduced by amounts not available for general expenditure within one year. Financial assets are considered unavailable when illiquid or not convertible to cash within one year. The Organization considers general expenditures to be all expenditures related to its ongoing activities to achieve its mission as well as the conduct of services undertaken to support those activities to be general expenditures.

	December 31,				
		2020		2019	
Financial assets, at year-end:					
Cash and cash equivalents	\$	1,074,954	\$	618,890	
Grants receivable–net		395,000		624,750	
		1,469,954		1,243,640	
Less those not available for general expenditure within one year, due to:		/		,,	
Grants receivable beyond one year		(95,000)		(394,000)	
Financial assets available to meet cash needs	¢	1 274 054	¢	940 640	
for general expenditures within one year	2	1,374,954	3	849,640	

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. At December 31, 2020, the Organization has \$733,616 in net assets with donor restrictions for various purposes including project support. These funds are considered available to meet needs for general expenditures as funds are used for their donor restricted purposes.

	\$	733,616	\$	717,641			

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

8. EMPLOYEE RETIREMENT PLAN:

The Organization contributes to a Multiple Employer 401(k) Defined Contribution Retirement Plan (the Plan) for eligible employees. Employee elective deferrals are matched by the Organization on a discretionary basis up to 3%. The Organization contributed \$43,031 and \$33,836 to the Plan for the years ended December 31, 2020 and 2019, respectively.

9. LEASES:

The Organization leases its office facility and certain office equipment under non-cancelable operating lease agreements. Rental and lease expenses totaled \$160,575 and \$187,941 for the years ended December 31, 2020 and 2019, respectively. Future minimum lease payments under non-cancelable operating leases (with initial or remaining lease terms in excess of one year) as of December 31, 2020, are as follows:

Years Ending December 31,	 Amounts				
2021 2022 2023	\$ 118,211 91,797 4,101				
	\$ 214,109				

10. RISKS AND UNCERTAINTIES:

In March 2020, the World Health Organization declared the outbreak of the coronavirus (COVID-19) as a pandemic which continues to spread throughout the United States. COVID-19 has caused a severe negative impact on the world economy and has contributed to significant declines and volatility in financial markets. The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the Organization for future periods. Management is carefully monitoring the situation and evaluating its options as circumstances evolve. As part of the response to the impact of COVID-19, the Organization applied for a Paycheck Protection Program (PPP) Loan, administered by the Small Business Administration (SBA), under the Coronavirus Aid, Relief, and Economic Security (CARES) Act, which was signed into law in March 2020. The Organization was approved for a loan in the amount of \$65,887. Based on the provisions included in the CARES Act, the loan agreement provides for loan forgiveness up to the full amount of the loan provided the Organization overcomes (meets) certain loan stipulations. The Organization believes it has met the conditions during the year ended December 31, 2021, in accordance with FASB ASC 958-605. As a result, the Organization has recognized the PPP as support with donor restrictions and a release for same amount in the accompanying consolidated statements of activities.

Effective January 11, 2021, the Organization received notification of forgiveness from the SBA for the full PPP loan amount.

11. <u>SUBSEQUENT EVENTS:</u>

Subsequent events have been evaluated through June 24, 2021, which represents the date the consolidated financial statements were available to be issued. Subsequent events after that date have not been evaluated.

SUPPLEMENTARY INFORMATION

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

Board of Directors RefuSHE, Inc. and Affiliate Chicago, Illinois

We have audited the consolidated financial statements of RefuSHE, Inc. and Affiliate as of and for the years ended December 31, 2020 and 2019, and our report thereon dated June 24, 2021, which expressed an unmodified opinion on those consolidated financial statements, appears on page 1. Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements of financial position and activities (the information) are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.
